MARINE EXPEDITIONARY UNIT BULLETIN 5215

From: Commanding Officer

To: Distribution List

Subj: QUARTERLY CHECKLIST OF CURRENT DIRECTIVES AND POLICY LETTERS

Ref: (a) MCO 5215.1K

Encl: (1) List of Current 15th MEU Orders  
(2) List of Current 15th MEU Bulletins

1. Purpose. This Bulletin publishes a quarterly checklist of current directives within the 15th Marine Expeditionary Unit (MEU).

2. Background. Per the reference, commands are required to maintain and annually review command directives. This Bulletin provides the 15th MEU a means of controlling current directives in order to ensure obsolete directives are not being used in the execution of daily operational and administrative functions.

3. Action

a. The enclosures list current 15th MEU orders and bulletins. All policy letters are hereby cancelled. Directives not listed in the enclosures have been cancelled. Staff sections shall use the enclosures to verify directives currently effective on or prior to 3 July 2013, and ensure all cancelled directives have been removed from their active files. Reference (a) eliminates the requirement to maintain paper copies of directives whenever possible and only requires ready access. Electronic copies of 15th MEU directives are available on the 15th MEU shared drive, the 15th MEU website <http://www.15thmeu.marines.mil/>, and the 15th MEU Sharepoint site <https://ips.usmc.mil/sites/15thmeu/default.aspx>. Hard copies may be requested from the 15th MEU S-1.

b. Staff sections shall review the directives under their sponsorship annually and take appropriate action to effect timely changes when required per reference (a).

c. All orders listed herein are unclassified.

4. Applicability. This Bulletin is applicable to all personnel assigned or attached to the 15th MEU and is effective the date signed.

  
J. M. MILLS
